

# SAVE THE DATE! Thursday Oct 22, 2009

## For a FREE Grass ID Workshop!

Presented by the

Central Florida  
Invasive Species Working Group

<http://www.floridainvasives.org/Central/>

and hosted by the University of Central Florida

We plan to offer CEUs and space will be limited!

Look for details and RSVP information coming soon.

**-Instructors to include:** Steven Green, Nancy Bissett, Danny Husband, Chris Matson

**-Topics to include:**

-Morning classroom session with overview of the grasses and their look-a-likes, an introduction to grass structures used in identification, & grass taxonomy basics

-Breakout field trip sessions in the afternoon to learn identification skills for both exotic and native grasses! Learn ID skills from grass experts!

-Grass ID quiz and prizes!
