

# Sustaining Wildlife via Bird Food

Twelve genera of plants can support over 50% of the Lepidopera (butterfly larvae) species.

Oak (534)	Hickory (1281)
Willow (811)	Poplar (1318)
Cherry (961)	Viburnum (1351)
Pine (1099)	Elm (1385)
Birch (1172)	Locust (1412)
Maple (1218)	Blueberry (1489)

(#) = number of species of Lepidopera each plant genera supports
