Dear \_\_\_\_\_,

By receipt of this letter, you are granted permission by the Florida Native Plant Society (FNPS) to create a poster (laminated and/or bonded) from our copyrighted landscape brochure "Native Landscaping: Restoring Beauty & Balance to Florida" provided that you follow the requirements listed below.

FNPS requires that all displays of the poster contain the FNPS logo and copyright information. You must ensure that your chosen printing company includes the FNPS logo and copyright information on both sides of the poster: © 2016 by the Florida Native Plant Society. The logo must follow FNPS standards for use of its logo (<http://fnps.org/society/logos>) and be of adequate resolution to be printed without blurring.

Thank you for your continued support for the preservation, conservation and restoration of the native plants and plant communities of Florida.

Sincerely,
